SESSION 4

Being Obedient to Share Jesus

Think of one person you know (coworker, neighbor, business associate or client, family member) who you feel is the least likely to become a Christian.

Option 1: Draw a picture of that person.

Option 2: Write the initials of that person and list some of their characteristics.

- What characteristics make us feel that some people are unlikely to receive Jesus as Savior and Lord?
- How does this perspective become a barrier to our sharing Jesus with certain people?

A New Life

- Why was Bill Fay an unlikely person to receive Jesus Christ as Savior and Lord?
- Did any of the people Bill Fay rejected really fail?
- Do you think God could use you to reach the person you thought about earlier in this session?
